 Subject: **Sauble Sewer Comment Sheets**

Hello everyone,

This is Mike Graham, from The Cabana Beach House down on main street in Sauble Beach. This email comes to you after yesterdays public meeting at the Sauble Beach Community Centre concerning the proposed sewer project for Sauble Beach.

Whether you attended or not, the Town of South Bruce has given us an oppurtunity to be heard. They have released an official **Comment Sheet** that will be collected and reviewed for feedback and support for the system until August 3rd (see attached). Please fill out your comments & concerns and mail/email/fax it to the Town of South Bruce Peninsula at the contact info provided therein. Again, the deadline is August 3rd, so don't wait.

I spoke with Town Manager, Phil Dwyer after the second meeting yesterday and he told me that the Town will be looking at ALL comments from everyone, not just people that showed up to the meeting. So, please forward this to anyone you know that is in support of the project that was not able to attend yesterday. **If you have a household of support, have each member fill one out so we have strength in numbers.**

This is very a great oppurtunity to be heard and is very important in getting the proper system that we want. Please pass this along to anyone who did (or did not) make it to the meeting yesterday. Thank you,

MIKE
