

Community-Based Strategic Plan

WE WANT YOUR INPUT!

The Town of South Bruce Peninsula is currently pursuing the development of a Community-Based Strategic Plan that will guide future directions of the Town of South Bruce Peninsula over the next ten years.

1. What do you value most about living in the Town of South Bruce Peninsula?

2. What is the most distinguishing feature of the Town of South Bruce Peninsula? How could it be made better (opportunities)?

3. Are there features that you don't like about the town (threats/weaknesses)?

4. What do you think will be the biggest challenge facing the Town over the next 10 years?

5. How would you like to see the Town in 10 years (Your vision for the future)?

Thanks for your input. We look forward to speaking with you again.

Please stay informed and help us create our future.

6. Is there anything else important that we should know or consider when developing the Community-Based Strategic Plan?

Contact Information (Optional)

Name: _____

Address: _____

Postal Code: _____

Email: _____

Telephone: () _____

Completed forms can be dropped off at the Town of South Bruce Peninsula Municipal Office. You can also fax, e-mail or mail-back (in one of the postage paid envelopes) the completed form to the contact below.
