Sauble Beach Safe for Bathing

Water samples taken at Sauble Beach, Town of South Bruce Peninsula, show results within acceptable levels according to Ministry of Health and Long-Term Care standards. The Grey Bruce Health Unit took samples on Monday, June 18, 2012. Based on these results, the beach, which was posted as unsafe on June 14, 2012, is now deemed safe for bathing.

Beach information on our website is updated as conditions change. For more information, please call 519-376-9420 or 1-800-263-3456 or visit www.publichealthgreybruce.on.ca
